Concentration is the name of the game when you're playing horseshoes as these two young enthusiasts ably demonstrate. They were among many individuals taking advantage of a host of activities Sunday as Haliburton Village celebrated its annual Spring Fling.

River clean-up funds will not be granted

An application for a grant to cover the costs of a works project that included the cleanup of a portion of the Gull River has been turned down by the Ministry of the Environment.

The application was made in February by a committee made up of councillors from the townships of Snowdon, Lutterworth and Anson, Hindon and Minden.

The municipalities applied for funding under the Environment 2000 program.

The proposed works program was comprised of three separate projects.

The first stage called for an improvement of the shoreline of the Burnt River adjacent to the Peacock Bridge.

In the second part of the

program one km of the Drag River south of County Road 1 was to be cleared of boulders to create a channel for watercraft.

The main project which was proposed by the committee was an improvement of the Gull River between Gull Lake and Minden. The project

(more on page 3)

Three positions cut from county council

There will be fewer representatives sitting around the County Council table following the 1985 municipal elections. The council, by a split vote, has decided to reduce its numbers by three, eliminating the deputy reeve representation from the municipalities of Cardiff, Snowdon and Monmouth.

The change, which was agreed to at the May 16 meeting of the council, was proposed by the county's management committee.

Dysart et al Reeve Murray Fearrey, who chairs the committee, led the debate in favour of the change. He noted that the council had been discussing a change for a number of years and the committee felt it was time to bring the matter to vote so, if there were to be changes, they could take place immediately following the next municipal election.

He noted that the committee had selected one of the three options available to it under the Ontario Municipal Act governing the representation at the county council. Under section 28 of the Act, a council seat for deputy reeves is provided for municipalities with a population of 2500 or more. With the limitation, the townships of Cardiff, Monmouth and Snowdon would lose their second representative at the county level.

The other two options, which were rejected by the committee included; (a) continuing with the present system of representation with a reeve and deputy reeve from each municipality on the council, with the exception of Bicroft which is represented by a reeve alone; or (b) representation of municipalities by reeves alone.

Fearrey noted however that in cases where the reeve of the affected municipalities was unable to attend a meeting due to illness or other circumstances, a member of the municipal council, likely the deputy reeve, could attend in his place with regular voting privileges.

The chairman of the management committee

stressed that the proposed change was not being suggested for any personal reason.

Fearrey distributed a summary of township populations, and the various municipal contributions to the county's apportionment to support his proposal for a change. He noted, for example, that Cardiff Township will contribute 5.3% of the county's financial needs in 1984, but the reeve and deputy reeve control 10.5% of the voting power on a regular vote and 10% on a recorded vote. Similar comparisons for the townships showed: Monmouth contributes 3.7% of the apportionment controlling 10.5% on the regular votes and 7% on a recorded vote; Snowdon contributes 3.5% of the county taxes but has 10.5% of the regular vote and 7% control in recorded votes.

Large municipalities

By contrast, Fearrey contended that the larger municipalities, including his own, do not have representation which is proportional to their financial contribution. Dysart et al, for example, contributes 37.9% of the county apportionment while controlling only 10.5% of the regular voting power and 14% on a

recorded vote.

He noted that the council has only held a recorded vote on an average of six times per year.

(A regular vote refers to one vote for each representative with a simple majority being all that is required to carry the decision. If a recorded vote is called for, certain municipal representatives receive extra votes in relation to the population of their municipality. For example in a recorded vote, Anson, Hindon and Minden, Dysart, and Stanhope reeves and deputy reeves all receive two votes each; the reeves from Cardiff, Glamorgan, Lutterworth and Sherborne have two votes with their deputies having only one; while all other municipal representatives have only a single vote each.)

Under the new system, those municipalities with two representatives at county council would control 12.5% of the vote while those with only one representative would control 6.25% of the vote when a regular vote is called for. Under the new distribution of weighted voting, in a recorded vote, only Anson, Hindon and Minden, and Dysart et al

(more on page 2)

One Devil is enough

One Devil in the county is enough for the Haliburton County Council.

The council rejected a proposal from the Ministry of Natural Resources that a lake in Glamorgan and Snowdon townships be renamed Devil's Lake. The present name for the body of water is Salerno Lake.

Representatives of both townships in which the lake is located voiced their opposition to the change. Snowdon Reeve Bob Vick told the meeting that the lake was indeed once known as Devil's Lake, "but that was many years ago. Then people decided to get stylish and changed the name to Salerno". He said he didn't feel the name should be changed, pointing out that there was another Devil's Lake in Lutterworth Township.

Glamorgan Township Reeve Bob McCausland also objected to the change. He said changing the name now would only add to the confusion.

Other members of council concurred with this stand and the ministry will be informed that one Devil is enough, thank you.

New formula will restructure council in 1985

(from page 1)

would have more than a single vote. Dysart would have four votes, two for each of the reeve and deputy reeve, while Anson, Hindon and Minden would have three, two for the reeve and one for the deputy reeve.

Snowdon Reeve Bob Vick, who represents one of the townships which would lose a deputy reeve's chair at the council table, questioned the need for change. "What would the benefit be?" he asked. "Surely we're not going through all this to save the expenses of these deputy reeves attending the meeting?"

Share holders

Fearrey responded by comparing the council to a company in which each of the municipalities was a shareholder. He said a shareholder in a company would want representation equal to the financial contribution he makes to the company's welfare. The new system would help create a more equitable method of representation based on a municipality's financial contribution.

Vick suggested the system would allow only three townships to control the voting at county council. Fearrey said five townships would be required to agree on a particular issue before a majority would be achieved. (In fact, according to the figures circulated at the meeting, if Anson, Hindon and Minden and Dysart attempted to sway a recorded vote in a particular

direction, they would require the support of three other representatives, or at least two other municipalities, to obtain a majority vote.)

Monmouth Reeve Keith Tallman expressed concern that the townships without deputy reeve representation at the council would suffer because of a lack of continuity if a deputy reeve was appointed to replace a reeve who was ill. He also suggested the change would only add to the alienation felt by the municipalities in the eastern part of the county. Both Cardiff and Monmouth are located east of Haliburton Village.

Bicroft Reeve Bill Howe, endorsed the proposal. He noted that Simcoe County has 39 members at its council table. "They don't get anything done. They are always bogged down in debate. We should approach this change like adults," he commented. Bicroft, the newest municipality in the

county, has only a single representative at the county council table.

Experience

Snowdon Deputy Reeve Dwain Wruth, whose position would be eliminated from county council following the next election, pointed out that the deputy reeve's position is often considered to be a 'training ground' for potential reeves. He said there would be a lack of continuity if a deputy reeve succeeded a reeve, if he had not some experience at the county level.

Fearrey countered Wruth's argument by pointing out that this year's Warden, Anson, Hindon and Minden Reeve Lyle McKnight had only served one year as his municipality's county representative before being selected for the Warden's position. He questioned the value of actual participation in County Council meetings in preparing an individual for

the job. "With each election, you never know who will be filling these chairs," he added.

Lutterworth Reeve Ron Gambell endorsed the change. He said that in his terms on the council he has seen matters which were of importance to the urban municipalities being lost because of the disproportionate voting strength of the rural municipalities. "It is just not fair," he told the council.

Two votes

There were two votes held before the new provision was accepted by the county councillors. A notice of motion was accepted, in a recorded vote, by 18 to 11, with the vote on the actual bylaw being carried on a 20 to 9 margin. Those voting in opposition to the notice of motion were Cardiff Reeve Mack Peters and Deputy Reeve Ross Duncan; Glamorgan Reeve Bob McCausland and Deputy

Reeve Jane Franklin; Monmouth Reeve Keith Tallman and Deputy Reeve Harry Clark; Sherborne et al Deputy Reeve Don Shortreed; Snowdon Reeve Bob Vick and Deputy Reeve Dwain Wruth. All other members of the county Council voted in favour of the motion including the Warden.

On the vote for the actual

bylaw, Glamorgan Reeve Bob McCausland was the only representative to change his stand. He changed his vote from opposition to in favour, resulting in the change in vote tally.

The new provisions for county council will be implemented following the November 1985 municipal election.

Four endorse tree bylaw

Four more municipalities have been included in the provisions of the controversial tree cutting bylaw. The municipalities of Anson, Hindon and Minden, Bicroft, Monmouth and Stanhope were included in the list of participating townships at the May 16 meeting of County Council.

Previously only the municipality of Dysart et al had been covered by the provisions of the bylaw.

The bylaw is designed to control the cutting of certain species of trees in the areas where it is in force. It limits the size of trees which can be harvested, protecting the younger trees, and provides for fines for those who contravene the provisions of the bylaw.

A number of individuals on the council and citizens in the county have objected to the bylaw because of what

they see as its infringements on the rights of property owners to do what they like with the trees on the land they own. Some have questioned the constitutionality of the bylaw, although no formal challenge has been initiated. The bylaw

does state that a landowner can do what he likes with the timber on his own property as long as it is for his own use.

Those who favour the bylaw have said it is necessary to protect the

value of the county's hardwood forests. During the debate over the bylaw, which has stretched back over two years, they have cited the devastation of clear-cutting operations in the area. These clear-cuts have been carried out to obtain firewood and result

in little financial return to the area the proponents claim. It has been noted that if the same hardwood bush was properly managed and harvested, it would enhance local employment on a long

term basis and improve the value of the area's natural resources.

The provisions for the enactment of the bylaw are contained in the provincial Trees Act. Even though the protection can only be

applied on a municipality basis, the county must approve the bylaw before it can become operational.

AHM agenda

Agenda for the regular council meeting to be held in the Municipal Council Chambers on Thursday, May 24, 1984 at 7:30 p.m.

1. Adoption of minutes.

Delegations

2. 7:30 p.m. - Dean Elliott re: clarification of zoning for Block A, Plan 561.

3. Boundary Information Centre Accounts.

4. Report re Blue Cross cancellation clause with respect to Extended Health Care coverage.

5. Report re: formation of a LACAC committee.

6. Discussion re: Wilfred Park in Minden Approved Park (deferred from last meeting.)

7. Review proposal and survey of Part of Lot 1, Concession A, Township of Minden.

8. Bylaw 84-14 - being a bylaw to authorize payment to be made to certain members of the Planning Advisory Committee (vote deferred from last meeting.)

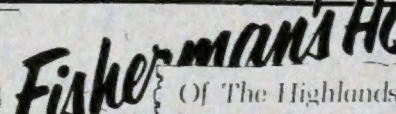

9. Other business.

10. Adjournment.

HHHSS says thanks to Marie

A group of over 120 people gathered at the PineStone Inn on Friday to pay tribute to Marie Wallace who will be retiring in June from her position as the co-ordinator of the Haliburton Highlands Home Support Services (HHHSS).

Mrs. Wallace was the first co-ordinator of the agency and during her four year tenure the Home Support Services evolved into a widely respected agency in the field of services for seniors.

During Friday's meeting, Mrs. Wallace was presented with an Appreciation Award by Ivan Hunter, past president of HHHSS and a gift from treasurer Aileen Robertson.

In an address to the meeting, Dick McCann, Chairman of the communications committee described Mrs. Wallace as "A very kind, generous person" who

had encouraged many volunteers to work for the agency and added "She interjected a lot of energy

Marie Wallace accepts a plaque of appreciation from former president of HHHSS Ivan Hunter. Marie retires from her position as co-ordinator June 15.

and organization." Mrs. Wallace will be retiring on June 15. Donna Bailey will assume the position of co-ordinator at

that time. In commenting on her term as co-ordinator at the Home Support Services, Mrs. Wallace said she found

the work challenging and rewarding and added "I got as much out of it as anyone I have helped."

Society gets county support

The Haliburton County Historical Society has received the support of Haliburton County Council for its efforts to ensure the Kanawa International Canoe Museum remains in the Highlands. While the council offered its endorsement of the organization, it has not provided a large financial commitment which members of the society were seeking when they spoke to the councillors May 16.

Chairman of the society Frank Wallace and board member Roy Windover addressed the council.

Wallace told the gathering the organization was attempting to identify the location in the county which would be best suited for the world class watercraft collection. He said the site would have to be centrally located, be of economic benefit to the greatest number of people in the county, have a favourable environment, be low in cost and be favourable to the founder and owner of the collection, Professor Kirk Wipper.

The committee asked for suggestions from municipalities, individuals and organizations in the county as to what would be the best location for the museum.

The chairman told the council he was seeking their support for the society's selection, wherever it might be in the county. Wallace also asked for financial support to cover expenses incurred by the society so far, and to assist in the future operating costs of the museum on an ongoing basis.

He told the meeting that to be successful in keeping the museum in the county the organization would require support from local politicians and citizens, the support of professor Wipper as well as the private sector. He said there is a need to promote the museum and promote canoeing in the county.

Elaborating on what the chairman had to say, Roy Windover asked the council for their moral support for the project and for their endorsement of the site selection made by the com-

mittee.

The society's representatives were asked how much financial support they were seeking. Windover said the group had not yet prepared a budget for the museum's operation.

Bicroft Reeve Bill Howe said it was difficult for the council to agree to financial support when it is not known how much will be required. He said the council should offer their moral support to the objectives of the society, but withhold any financial endorsement until a more exact financial picture could be prepared.

Anson, Hindon and Minden Deputy Reeve Ed Pergolas suggested the council should be willing to cover the society's expenses related to the organizational meetings and any operational costs incurred up to this point.

The council then moved into a committee-of-the-whole to discuss its participation in the efforts of the society.

When the council emerged from the closed session, a motion endorsing

the efforts of the group was passed. The motion allowed a \$1000 grant for the society's operating expenses and promised that consideration would be given to further financial assistance when a needs study has been completed.

Next meeting

Earlier this week chairman of the Society, Frank Wallace, announced that a general meeting of the Haliburton County Historical Society will be held May 31 at the cafeteria at HHHSS. At that time the group's decision on the site proposals will be announced. Noting that all members of the society had been sworn to secrecy on the selection process, he declined to indicate how many proposals had been received or from whom.

He noted the May 31 meeting would be open to the general public, with new society members in particular being urged to attend. The membership will be asked to endorse the findings of the executive. The meeting time is 7:30 p.m.

River clean-up funds withheld

(from page 1)

included some dredging of the riverbed and removal of debris and fallen trees.

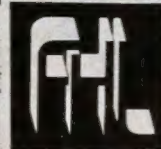

The proposed project would have provided employment for six workers over a 20 week period.

In commenting on the decision by the Ministry of the Environment, Lutterworth Reeve Ron Gambell said "I am really disappointed. We have been hoping to clean up the river for years."

While the councils favoured the project, at least one group of ratepayers,

property owners on Gull Lake, have expressed their concerns over the results of the improvements. In a letter to Lutterworth Council, the association suggested that the improvements would result in increased erosion and a potential hazard from boats travelling at a high rate of speed.

Lutterworth Township council decided at the monthly meeting on Thursday to seek the assistance of Victoria-Haliburton MP Bill Scott in an attempt to have the decision reversed.

editorial

A fairer distribution

While we can appreciate the reluctance of some municipalities to accept the loss of a representative at the county council table, we feel that a fairer more equitable balance has been struck with the passage of the limiting bylaw last week.

The analogy that representation should be distributed on the basis of financial (and hence population) contribution is an apt one. Those municipalities which provide the greatest share of the county's resources should have a say commensurate with that contribution.

The change, which won't come into effect until the municipal elections are held in 1985, will not eliminate any municipality's voice at the county level. Indeed, we suspect that those townships which will end up with only one representative at the county level in 1986, will find that while their voting power may be reduced, their contribution to debates and discussions will remain at the same level as before.

Thanks Marie

It was with sincerity and heartfelt thanks that members of the Haliburton Highlands Home Support Services saluted retiring coordinator Marie Wallace last week. In her four years at the helm of the organization she has made many friends and admirers.

The admiration, we feel, is well earned. Marie has always been a ball of energy, a sparkplug which ensured that any project undertaken by the association would be given her enthusiastic backing. She played an important role in attracting volunteers, encouraging participation and building a seniors helping seniors support organization that is the envy of social agencies throughout the province.

Marie's contribution extends beyond the organization for which she was employed. The entire county benefitted and for that, the entire community is grateful.

Mobile home caught in weekend traffic.

Gasoline lead content set

-by Bill Scott, MP -

On May 16, regulations to reduce the amount of lead in gasoline became law. These reductions will be put in place by January 1, 1987. The lead content will be cut to approximately one-third of the current allowable level.

This measure is designed to reduce automobile lead emission by approximately 60% from 1982 levels. The Minister of Environment claims that the decision to reduce the lead content will in no way inflict any hardship on owners of cars and trucks designed to run on leaded gasoline. He stated that the new lead level that will come into effect in 1987 will meet the manufacturer's specifications for all vehicles and gasoline powered machines available in Canada.

I think that reducing the lead levels rather than eliminating leaded gas completely is a more

Budget assessment

- by John Eakins MPP -

Last Tuesday Ontario Treasurer Larry Grossman presented the provincial budget to the Legislature. Victoria - Haliburton MPP John Eakins feels the document does little or nothing to support the tourism industry in the province. The following critique, on this aspect of the budget, was prepared by John Eakins:

Once again this year, one of the major shortcomings of the Ontario Budget is its failure to effectively deal with our tourism sector - after a year which saw the worst deficit in this province's history in our tourism account.

Our tourism deficit - the net loss of tourist dollars to other provinces and countries - had been progressively shrinking to \$392 million in 1980 and \$341 million in 1981. But in 1982, this trend had reversed and our deficit began increasing once again to \$429 million. But in 1983, failing any corrective action by this provincial government, preliminary estimates indicate that it has soared to some \$734.6 million.

As a result, tourism, our second largest industry, has slipped to third place in this province.

The reasons for this have been made clear to the Treasurer, who as the former Minister of Industry and Tourism assured us of his understanding of this industry.

We are overtaxed and therefore we are overpriced and have lost our competitive advantage. Nowhere is it more evident than in our centres that are close to our neighbours in the U.S. where liquor, tobacco, gasoline, meals and hotels are taxed in drastically different ways. Niagara Falls is the prime example. As a result, our visitors from the U.S., the second largest tourist component: after Ontario residents themselves, have fallen by 20.1 per cent since 1981.

And yet the 1984 budget contains nothing more than a tax rebate on accommodations for out-of-province visitors - which does nothing to address the problems of our tourism sector which have emanated from our inability to offer a competitive product. Also it is only a seven and one-half month program which may not even cost the Treasury \$500,000. And if it is advertised the way the current visitors' tax rebate program is, no one will even know about it.

Out of the BILD program will come \$30 million over the next five years - with a matching \$30 million from the federal government for enhancement of our tourism sector.

And finally, if the tourist operators who are the big losers in this budget, want to participate in the much touted Ontario Youth Tourism Program, it will cost them collectively a mere \$1 million per month to provide their portion of the salaries.

And there was no relief for the restaurant and hospitality sector. We remain one of only two provinces all across Canada that does not provide a tax exempt meal.

And the cost of alcohol particularly in licenced establishments remains the main reason for the decline in revenues in this sector. In 1983, revenues of licenced establishments in Ontario grew by only 1.5 per cent, which after taking inflation into account is a negative growth. Yet no relief for this sector was offered.

And all this from a Treasurer who espoused his sensitivity for the health of our provincial tourism sector. Unbelievably, he reduced funding for Tourism and Recreation this year by 9.2 per cent.

outdoors

Federation of Ontario Naturalists

It's been said that the real armageddon, that will occur long after humanity has baked itself in a nuclear oven, will involve a titanic battle between cockroaches and gonorrhea. That's about as grim a view of life (or death) on earth as I've ever heard. And it may be premature to predict that evolution will discard human intelligence in this way. But the scenario hardly overdraws one fact: the awesome survival skills of the humble roach.

Despite its venerable age, the cockroach enjoys little more than our grudging respect. There are, at base, good reasons for this. Roaches do expose us to salmonella, typhoid fever and other nasty disorders. And it's true that they thrive in places we'd rather not live in. At the same time, like all "bad" animals, insects and plants, they're victimized to a degree by misconceptions. I'll grant you there's every reason to prefer the company of the family dog, or to be inspired by the beauty of a butterfly. But the fact is that roaches, at least the oriental, German and American strains that followed us indoors, are proliferating because of our habits.

In contrast to the common housefly, roaches on their own are clean, preening themselves the way cats do. So they become a health hazard largely by circulating our own filth. They don't need much of it to get by either, being able to survive on things like grease and wallpaper paste. Reproduction is equally secure. The female needs only one fertilization to produce egg capsules of 20 to 40 offspring and she can produce as many as 7 capsules in a lifetime.

Of course, the real issue that remains for most people, is how to get rid of the little critters. There's a lot you can do before

Music night delights audience

An interesting and varied programme of musical talent was presented Thursday at Archie Stouffer Elementary School. The students of the senior classes displayed their talents for an appreciative audience of friends and relatives. Included in the program was an appearance by the Highlands Dixie ensemble and also a barbershop quartet, Track Four. The evening was the culmination of weeks of preparation by the students and a tribute to the dedication of their music instructor, Glen Carter.

from the chamber

The Agnes Jamieson Gallery will be featuring the art of Linda Lapeer and Gordon Law from May 31 to June 25. For a truly delightful Folk Art Exhibition, Linda is an original. Her small and lovingly detailed paintings express the magic she finds in nature and ordinary life. Gordon Law has combined his love of poetry and mythology with his carvings, and the result is a most interesting exhibition. Gallery hours - 10:00 a.m. to 5:00 p.m. Monday through Saturday. (705) 286-3763.

Rags to Riches

June 1 - 23, The Rails' End Gallery in Haliburton Village will be featuring "From Rags to Riches" - a show which comes to us from the Joseph Schneider House in Kitchener. Crafts people working with fibres, folk art, antique collectors and those interested in our heritage will enjoy this collection of primitive floor coverings. Also you will be able to see "whats new" from the graduate students of Sheridan College, one of the foremost schools of crafts and design. There is also a selection of weaving, ceramics, woodworking, glass and jewellery at the Gallery. Gallery Hours are 11:00 a.m. to 5:00 p.m., Tuesday to Saturday. Heather (705) 457-2330.

Youth & Sport Fitness Festival

The Township of Glamorgan and the Ontario Ministry of Tourism and Recreation are inviting boys and girls 9-11 as of July 1, 1984 to participate in the Bicentennial Youth and Sports Fitness Festival the week of July 16 to 20. This festival will be held at the

Glamorgan Community Centre.

The week long festival will offer young people a unique and interesting summer fun experience at no cost. The program will run 5 days, 10:00 a.m. to Noon and 1:00 p.m. to 3:00 p.m. each day.

Boys and girls participating in the festival will receive instruction in the six basic skills which can be applied to any sport: running, jumping, kicking, throwing, catching and striking. As the week progresses individual improvement in these skills will be measured through a series of activities which will include an obstacle course and a strengthathlon that will challenge the participants' fitness level and movement ability.

The festival will have six categories, one each for boys and girls age 9, 10 and 11. Awards will be presented to everyone who successfully completes the program. In addition a boy and girl in each category will be named to the Glamorgan Team which will participate in the next level round. The provincial event of the Festival will be held at Centennial Park in Etobicoke August 25 and 26.

In order to accommodate all age groups the Fitness Festival will accept registrations from children age 6 to 16 with the understanding that only the 9, 10 and 11 year olds move on to the area and provincial festivals. All children participating in the festival will receive an award. If you are interested in registering your child, please contact Jane Franklin at the Glamorgan Municipal Office (705) 447-2410.

Trent-Severn Waterway news

The average Haliburton Lakes storage percentage reached 93.2% on the 14th of May. By May 17th a small decline (the first this spring) occurred so that the amount was 92.9%. This small decline was generally the result of releasing water from some lakes which had exceeded 100% earlier. Some moderate rains in Haliburton would really help to top up the reservoir lakes.

The Kawartha Lakes which were overfilled to some extent last week on May 11, were pushed even further by the rain that day and throughout this week large flows have been discharged down the Otonabee to return them to

lower levels. Flow reductions on Thursday and Friday (May 17 & 18) have resulted in river section currents that are still tricky, but not hazardous to navigate. The canal opening is occurring today (May 18) with precautions issued to warn boaters about the swift currents especially near water control dams.

If the forecasted rain produces modest inflows the situation should not change much. Heavy rains especially south of Haliburton could result in flows too high, and navigation might have to be suspended. Dry weather could be a help for a week or so in the south of the Trent Watershed.

(from page 4)

appropriate course of action. Whether our vehicles designed for use with leaded gas will indeed not be affected by the reduction remains to be seen. One unfortunate repercussion will be additional refining costs for production at the new level. This will undoubtedly result in added cost to the consumer. I question whether this will only be 15 cents per week, as the Minister suggests. Gasoline prices have had a habit of rising much more rapidly than this government has predicted. One only need look at their promise in the

last election to keep gasoline increases below 18 cents per gallon.

Benefits taxed

Earlier this year, the Government announced its intentions to tax all Workers' Compensation benefits. After many objections to this proposal, the Government has backed down. Revenue Canada has now promised to amend their regulations concerning the eligibility of Workers' Compensation payments for exemption from income tax. I will keep you informed of the implications of the new regulations, as they are made available to me.

NOTICE

IN THE MATTER OF the Municipal Act; and IN THE MATTER OF a proposed By-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up, close and convey to the adjoining landowners part of the 66 'unopened' Original Allowance of Road between Lot 4 Concessions 4 and 5 in the Township of Hindon.

NOTICE IS HEREBY GIVEN pursuant to Section 301 (1) of the Municipal Act R.S.O. 1980, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden at its regular meeting to be held in the Municipal Council Chambers, Milne Street, Minden on Thursday, June 14th, 1984 proposes to consider and, if deemed advisable to pass a By-law to stop up, close and convey the above-noted portion of road allowance more particularly described as follows: -

ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the Township of Hindon, in the County of Haliburton, being composed of part of the original allowance for road between Concessions 4 and 5 across Lot 4 in said township, more particularly outlined on a copy of Plan 19R-1680.

AND FURTHER TAKE NOTICE that before passing said by-law at the meeting to be held at the time and place mentioned, the Council shall then and there hear in person or by his Counsel, Solicitor or Agent any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at MINDEN this 23rd day of May, 1984.

(Mrs.) Elinor Burke, A.M.C.T.,
Clerk-Treasurer,
Townships of Anson, Hindon and Minden,
Box 98, Minden, Ontario KOM 2K0
Phone (705) 286-1260

The plan of survey referred to herein is available for perusal at the Municipal Offices during normal office hours.

CORPORATION OF THE TOWNSHIP OF STANHOPE PUBLIC NOTICE

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Stanhope proposes to enact a by-law to stop up, close and convey to the abutting property owners, those parts of the original allowance for road set out and described as follows:

FIRSTLY: All and Singular those certain parcels or tracts of lands and premises situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Little Hawk Lake, lying in front of part of Lot 21 Concession 10 and being more particularly described as parts 5 and 6 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 3023.

SECONDLY: All and Singular those certain parcels or tracts of lands and premises situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of lands designated as road allowance on Crown Land Surveys on Part Lot 21 Concession 10 and being more particularly described as Parts 3 and 4 on a Plan deposited in the Registry Division of the County of Haliburton as Plan 19R 3023.

A COPY OF THE PLAN OF SURVEY as noted may be viewed at the Township of Stanhope Municipal Office during normal working hours.

THE PROPOSED BY-LAW will come before the said council for consideration at its regular meeting at the Municipal Office in the Township of Stanhope on the 6th day of June, 1984 at the hour of 11:30 a.m., and at that time, the Council will hear in person or by his counsel, solicitor or agent, any person who claims that his land will be prejudicially affected and who applied to be heard.

DATED: April 2, 1984

Gerald C. Bain, A.M.C.T.,
Clerk of the Corporation of the
Township of Stanhope, R.R. #1,
Haliburton, Ontario. KOM 1S0

Minden postmaster Dorothy Rowe welcomed a number of classes from Archie Stouffer Elementary School last week. The students had an opportunity to learn how the mail is sorted and prepared for distribution across the country and around the world. The students avidly observe as she demonstrates how the automatic cancelling machine operates.

County awards roads contracts

The County of Haliburton Road Committee awarded several tenders during this past month for the operations of the County

Outdoors

(from page 4)

engaging in all-out chemical warfare. Spring cleaning, and regular follow-up is one step. According to Janet Avery, a Toronto Public Health official and authority on the subject, roaches are also repulsed by such common substances as crushed garlic or bayleaves. More adventurous people have resorted to lizards. Other predators such as nematodes, as well as hormones which cause heart failure, are being used experimentally by scientists. Construction techniques including the spraying of diatomaceous earth in nooks and crannies of buildings, hold greater promise in the near future according to Ms. Avery.

The fact remains that whatever weapons we develop, peaceful co-existence is as close as many of us urban dwellers will ever get to winning the war with roaches. And unless they get overcrowded, roaches will keep their distance, using their sensitive antennae to smell our approach.

Roads Department.

The prime and surface treatment for various locations within the County was awarded to Miller Paving Limited in the amount of \$235,831.00.

The Rock Drilling contract was divided between J.A.C. Kernohan Construction, of Minden, for \$52,900.00 and R. M. Hawley Limited for \$30,000.00.

The Committee approved the purchase of two pieces of

equipment. Awarded to Sheridan Equipment was the contract for a 250 CFM Compressor at a cost of \$23,537.33 and to Champion Road Machinery, the purchase of a Model 740 Grader for the price of \$128,186.00.

Allowances for the above tenders have been provided for in the 1984 budget which is subsidized by the Ministry of Transportations and Communications.

\$2200 damage

A single car accident early Sunday afternoon resulted in \$22,000 damage to a leased 1982 Lincoln. The accident occurred on Highway 35 near Moore Falls.

According to the police, a passenger in the vehicle, who was unfamiliar with the controls, attempted to adjust the seat. Inadvertently the passenger caused the driver's seat to move, setting in motion a string of events which total a very large repair bill.

With the driver, Maureen Cooksey, 36, of Unionville, distracted, the car veered to the left. She attempted to bring the vehicle back onto the proper lane, but oversteered and the car entered the right ditch.

The damage to the vehicle was concentrated on the front end, hood and frame.

None of the four passengers were injured.

Constable Paul Shaughnessy was the investigating officer.

Ditched

Another single car accident resulted in \$3000 damage to a car being driven by Wendy Dewsbury, 19, of Weston. The vehicle she was driving slid on loose gravel as she rounded a curve on County Road 13. The 1983 model Honda skidded into the ditch and rolled over.

The matter was investigated by Constable Ken Wesley.

Injury

A single vehicle accident in the early morning hours of May 19 resulted in one individual being seriously injured.

According to police, Alan Espie, 20, of Dysart Township, was the driver of a 1978 model Datsun. He lost

control of the vehicle on a curve on the Essonville Line, Monmouth Township, entered a ditch and rolled over. A passenger in the vehicle, Jack McPhail, 19, of Haliburton sustained serious injuries and was taken from Haliburton Hospital to Lindsay Hospital. The driver sustained minor injuries.

The car suffered some \$5000 damages in the mishap.

Espie has been charged with careless driving.

Kickers win home opener three to two

by Jim Milne

The Dixie Lee soccer team earned their first win of the season last Sunday. Playing at home against Muskoka Sun, the Haliburton team scored three goals in the first half and held on in the second half while Muskoka replied with two.

Mike Hatkoski put a lot of pressure on the Muskoka defence with his speed chasing loose balls. Muskoka defenders actually put the ball in their own net on two Dixie Lee goals. Dwayne Warburton scored the other Haliburton goal. Muskoka had a number of chances but Andrew Chapiera was very sharp in the Haliburton goal.

The Haliburton system in this game required the mid-fielders to do a lot of running up and down the field. Kevin Warburton, in

particular, worked hard but he suffered an injury in the second half and may not be able to play for quite a while.

Haliburton played 10 men against 11 for about 5 minutes after Ivor Thompson was sent off for fighting. Their advantage disappeared when a Muskoka player was injured because they were playing without substitutes.

The Dixie Lee team will practise in Haliburton on Thursday at 7:00 p.m. and travel to Bracebridge Sunday to play the Centennials.

The schedule until mid season is as follows: May 27 - away vs. Bracebridge Centennials; June 3 - home vs. Huntsville; June 10 - away vs. Parry Sound; June 17 - home vs. Orillia City; June 24 - home vs. Bracebridge Juniors; July 8 - home vs. Orillia Inter.

Tim Davies, of Haliburton Dixie Lee soccer team, demonstrates the speed and ability that led the team to its home opening victory Sunday. The county team defeated Muskoka Sun by a 3-2 margin in a hotly contested match.

Athletes win COSSA title

Once again the members of the Haliburton Highlands Secondary School track and field team have demonstrated their excellent training and desire to win. The athletes amassed more than double the points they have in the past at the Central Ontario Secondary School Athletics field day May 17 in Oshawa.

In earning 71 points as a team, the HHSS athletes tied Lakefield District High School for first place in the 'A' School competition, for schools under 750 students. There were 16 teams competing in the 'A' division.

The team finished tenth in the overall competition which saw representatives from 53 schools taking part.

Sixteen athletes from HHSS qualified at the COSSA meet and are now eligible to compete at the Eastern Ontario Regional competition this Friday in Ottawa.

According to coaches Bob Colliver and Paul Morissette, the school has a good chance of having more than one athlete take part in the all Ontario championships scheduled for Toronto. "In the past we have had a number of students qualify for the All-Ontario competitions, but it was usually only one student each year who went on to the provincial competition. With the strong showing from the students this season there is a good chance we could be sending the largest contingent of athletes the school has ever seen to those games."

The 16 who qualified for the Eastern Ontario competitions this Friday

include:

Midget girls

Lesley Tashlin - 80 metre hurdles, first; 400 metres, second.

400 metre relay, second, Lori-Anne Duguay, Lisa Sisson, Lindsey Tashlin, Lesley Tashlin.

Senior girls

Marla MacNaull - 400 metres, second; 200 metres, fourth.

400 metre relay, third, Lisa Malott, Lisa Jones, Wendy Ballantyne, Marla MacNaull.

Open 1600 metre relay, third, Lesley Tashlin, Lindsey Tashlin, Heidi Tashlin, Marla MacNaull.

Midget boys

Jeff Popple, discus, fourth.

Sean Whitfield, discus, fifth.

Junior boys

Drew Bishop, Pole Vault, fifth.

Shaun Symonds, high jump, sixth.

Senior boys

Steve Smith, 110 metre hurdles, fifth.

Mark Carl, 800 metres, fifth.

Q: Ever see a fat jogger?

A: Not for long.

County council briefs

Items from the May 16 meeting of the Haliburton County Council.

Rail line

Haliburton County Council has been informed that the CNR rail line from Kinmount to Haliburton Village will be retained by the province for recreational use. The notification of the intention was contained in a letter from Minister of Transportation and Communications Jim Snow.

The letter said the province had identified the corridor as a potential recreational area and development of the line for those purposes is being planned by the Ministry of Natural Resources. The minister added that if the county had any suggestions for the use of the line that they contact the Minister of Natural Resources Alan Pope.

Line fences

A motion concurring with a resolution from Bruce County regarding line fences was endorsed by the council.

The Bruce County resolution came about as a result of a small claims court ruling in that jurisdiction which cast doubt on the long-standing tradition that property owners on each

side of a line fence should share the costs of the fence.

Stanhope Deputy Reeve Elgin Stouffer said the county should add its support to the resolution.

He noted, "Farmers are already carrying enough of a load now."

Invitation

In response to an invitation from Sir Sandord Fleming College in Lindsay, members of Haliburton County Council will be

visiting the campus in the autumn for a tour of the facility. While the council agreed that a tour of the college would be worthwhile, they declined an invitation to hold a regular

meeting at the institution.

Stanhope Deputy Reeve Elgin Stouffer, who is also a member of the college's board of directors, was in favour of the council holding a formal meeting at

the college. He said it would ensure full attendance. The councillors rejected the idea, however 14 of the 19 members said they would be interested in the tour next fall.

Ingoldsby bridge

A design for the refurbished bridge in Ingoldsby is currently being prepared, according to a report to council by county engineer Bill Obee. The design is being drafted by the consult-

ing engineers, Totten Simms and Hubicki.

Obee said he expected construction on the project to begin in August.

The council was also told that due to budget restraints, the county will not assume the Bobcaygeon Road, from the Deep Bay

Road north to Highway 118, until January 1, 1985. The roads committee had announced that the road would be taken over July 1.

Contracts signed

Canadian Union of Public Employees at Hyland Crest and the county roads department will receive a 45c per hour across the

board increase. The boost in wages was ratified by the Haliburton County Council at its May 16 meeting.

The terms of the one year contract will remain the same as the previous contract, with some minor change.

Did you know?

by Bambi Gilder

Did you know ... that the Addiction Research Foundation has introduced an easier way for you to get answers to your questions about alcohol and other drugs?

This new system is called Dial-a-Fact which is a series of factual, scientific telephone messages concerning alcohol and drug topics. They are four to six minutes long, can be listened to in the privacy of your own home or office and as often as you wish.

Simply call the toll-free number, 1-800-387-2916 and ask to hear any of the audiotapes listed in the folder by code number. This folder can be obtained at our office and is free of charge.

However, to cover some of the cost of production and circulation they require sponsors, whereby a business may receive 2000 copies for \$100.00. There is a space on the back of the Dial-a-Fact folder to put your business stamp or logo. By sponsoring these brochures, promotion and advertising of both your business and the Addiction Research Foundation can be done not to mention the assistance in helping people find solutions to alcohol and

drug related problems.

In addition to this folder, your County Information Centre has a wide variety of pamphlets consisting of reliable literature designed for the general public

relating to this and much more, including social, health, governmental and environmental subjects.

Our office is open Monday through Friday, 10:00 a.m. to 4:00 p.m. and we are located in the Drag River Municipal Building (across from Emmerson Lumber).

Police patrols reduce mishaps

The 1984 Victoria Day Weekend has passed with a decline in the number of police related occurrences. Serious occurrences have been declining over the past few years. A 3 year comparison is noted below:

	1982	1983	1984
Motor vehicle accidents	20	11	9
General occurrences	120	125	84
(liquor infractions)	44	37	16
(break & enters)	8	14	7
(thefts)	20	11	10
(impaired drivers)	8	16	4

The figures noted above are for the period beginning at noon on the Monday preceeding the Holiday Weekend to noon Monday of the long weekend.

As in past years, several additional officers and vehicles were brought in from neighbouring detachments. This was deemed necessary because of the influx of a large number of motorcyclists in the Minden area.

In addition, personnel from District Headquarters in Peterborough and from General Headquarters in Toronto were utilized throughout Haliburton County over the weekend in an all out effort to ensure a safe holiday weekend for the permanent residents and visitors alike.

If the decline of serious occurrences is any indication, the increased police coverage is having the desired effect.

"SOMETHING FOR EVERYONE"

HALIBURTON COUNTY BOARD OF EDUCATION 1983 FINANCIAL STATEMENT

TO THE HALIBURTON COUNTY BOARD OF EDUCATION

We have examined the Balance Sheet of the Haliburton County Board of Education as at December 31, 1982 and the Revenue Fund Statement of Operations and the Capital Fund Statement of Operations for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances.

In our opinion these Financial Statements present fairly the financial position of the Board as at December 31, 1982 and the results of its operations for the year then ended, in accordance with the accounting principles described in Note 1 to the financial statements applied on a basis consistent with that of the preceding year.

Stanhope council briefs

Items from the May 9 meeting of the Township of Stanhope council.

Wages increased

Council passed a bylaw to increase the wages, salaries and allowances for municipal employees by 5% for 1984. A second bylaw was passed to raise the remuneration of council members by 5%. The increases are in line with the guidelines set by the Ontario government.

The increase will raise the 1984 remuneration of the reeve to \$3969. The deputy reeve will receive \$3638 and each of the three councillors will receive \$3307.

RRAP

Council passed a resolution to apply to Canada Mortgage and Housing to have the Township of Stanhope designated as an area that is eligible for coverage under the Residential Rehabilitation Assistance Program.

The program provides financial assistance to homeowners who carry out improvements to their homes. The assistance is

available to homeowners whose adjusted family income is \$20,000 a year or less.

Special Olympics

Council authorized a donation of \$60 to Ontario Special Olympics Inc., to financially aid in the sponsoring of olympic programs for mentally handicapped persons.

Accounts

Council approved general accounts for April totalling \$18,570. Road accounts totalling \$14,877 and April welfare totalling \$6,417.

Allowance opened

Council passed a bylaw to open a portion of an original road allowance on part lot 28 concession 4 and 5 for the purpose of constructing a driveway to a cottage residence.

In November Council approved the request, in principle, to open allowance pending an Ontario Land Survey but had reconsidered the decision after being advised by the municipal solicitor that the township might be liable for any damage or injuries that

occurred on the opened road allowance.

Council decided to proceed with the bylaw because since the portion of the road allowance was a continuation of a private road that extended three quarters of a mile from a public roadway, the opened road allowance would not pose a danger to the public.

The bylaw was passed with the understanding that the proposed road will not be maintained by the township.

Ontario wild flowers

Minden and District Horticultural Society held their meeting on May Day and it snowed. But it did not deter nearly thirty nature lovers who attended to hear Mr. Pringle from the Royal Botanical Gardens. His subject was "Ontario Wild Flowers." He had many beautiful slides as well as a very knowledgeable commentary on our wild flowers.

Spring is a very busy time for the members as they plan their flower beds. Since this is Ontario's bicentennial and Minden's 125th anniversary,

several new plantings are in progress. There are new shrubs and flowers at the south gate of the cemetery, maple trees at the museum and flower beds at the municipal office. All these undertakings take a lot of time and labour. If you would like to help beautify Minden and District, we could use your green thumb. If you have a little time, would you volunteer to water some of these flowers?

In June the provincial horticultural society will meet at Laurentian University, Sudbury. There

will be representatives from your society attending.

Jean Lacey is obtaining films for the next regular meeting. They are entitled "Soil" and "The Flower Show." Remember the date, the first Tuesday in June in the Council Chambers.

Charles Dudley Warner wrote "To plant seeds and watch the renewal of life - this is the commonest delight of the race, the most satisfactory thing a man can do."

The humming birds are back, do you have your feeder out?

20-INCH
Push-Type
Mowers

John Deere Push-type Rotary Mowers are available in two models to handle small- and medium-size lawns with ease. Each is powered by a 3-1/2-hp Briggs and Stratton engine and features vertical recoil start with automatic choke. Each has a chrome handle which can be adjusted to different positions for more comfortable operation, and folds down for easy storage or transport.

NOTES TO FINANCIAL STATEMENTS

For the year ended December 31, 1983

1. ACCOUNTING PRINCIPLES

The financial statements have been prepared by the Board using accounting principles that are prescribed by the Ministry of Education and are considered appropriate for Ontario School Boards. These principles are in accordance with generally accepted accounting principles except as follows:

(a) Accrual Accounting

Revenue and expenditure are accounted for on the accrual method except for:

(i) No provision is made for interest on unmatured debenture debt from the date of payment to the end of the fiscal year.

(ii) No provision is made to record the liability for retirement and/or sick leave benefits accruing over the working lives of employees.

(b) Fixed Assets

Fixed Assets are charged to current expenditures unless financed by long-term debt. Principal and interest charges on net long-term liabilities are included as expenditures in the period due. Fixed assets including Capital Leases, described as Capital outlay to be recovered in future years, are included on the balance sheet only to the extent of the balances of the related net long-term liabilities outstanding and of the related temporary financing at the end of the fiscal year.

(c) Reserves and Reserve Funds

Reserves and Reserve Funds represent funds appropriated for general and specific purposes and are charged or credited to revenue fund operations in the year appropriated or drawn down.

(d) Under/over requisition of Taxes

The difference between the net expenditures of any year and the amounts received to finance these expenditures is carried forward to the subsequent year to either increase or reduce net revenue requirements from ratepayers.

2. RESERVE FOR WORKING FUNDS

The reserve for working funds at December 31, 1983 is applicable to the elementary and secondary school operations of the Board as follows:

Elementary
Secondary

\$113,500

\$186,500

\$300,000

3. RETIREMENT GRATUITIES PLAN

Under the retirement gratuities plan, unused sick leave can accumulate and employees after a certain period of employment (teaching staff - 10 years, non-teaching staff- 5 years) may become entitled to a cash payment of 50% of the unused credits to a maximum of 50% of annual salary when they leave the board's employment.

These accumulated days, to the extent that they could be used to determine the cash payment to an employee on terminating, amount to \$1,394,000 as at December 31, 1983 (\$1,231,000 as at December 31, 1982). No provision has been made on account of the retirement gratuities plan.

The amount paid in the current year in respect of the retirement gratuities plan was \$90,851 (\$16,845 in 1982).

4. NET LONG-TERM LIABILITY REPAYMENTS

Of the net long-term liabilities outstanding of \$1,032,000 principal amounting to \$622,000 plus interest amounting to \$296,658 is payable over the next five years as follows:

	Principal	Interest	Total
1984	\$120,000	77,430	197,430
1985	128,000	68,698	196,698
1986	124,000	59,355	183,355
1987	120,000	50,160	170,160
1988	130,000	41,015	171,015
	<u>\$622,000</u>	<u>\$296,658</u>	<u>\$918,658</u>

5. DEBT CHARGES AND CAPITAL LOAN INTEREST

The Revenue Fund expenditure for debt charges and capital loan interest includes principal and interest payments as follows:

	Elementary	Secondary
Principal payments on long-term liabilities	99,000	12,000
Interest payments on long-term liabilities	<u>83,135</u>	<u>2,375</u>
	<u>\$182,135</u>	<u>\$14,375</u>

The draw for the Dr. Agnes Jamieson painting "The Heron" was held Saturday. Proceeds from the draw will be used to support the operation of the Minden County Town museum. Sylvia Howard, left, made the draw on behalf of the museum while Laura Kirkwood held the painting. The lucky winner was Mary Cox of Minden.

Stewart wins 3 wheel titles

Steve Stewart of Minden continues his winning ways on the motorized three wheel racing track. He captured two first place positions, a second and a third in separate competitions this past weekend.

At the Hully Gully track near Exeter, on Sunday afternoon Steve placed first in the Senior 250 class and first in the 250 open class. He received trophies and cash prizes for his first place

finishes.

Monday, the action switched to Eganville where Steve placed second in the 250 modified class and third in the 250 stock class.

Steve has picked up a number of new sponsors for this year's racing circuit. Assisting with the cost of taking part in the competitions are R & M Motocross Specialties, Trimax and Burlington Cycle.

NOTICE TO THE PUBLIC REGARDING FOREST MANAGEMENT ON CROWN LANDS

The Ministry of Natural Resources has prepared a draft forest management plan for Crown lands of the Minden District for the period ending in the year 2000. The timber on designated areas of Crown land is grown and harvested on a sustained yield basis to provide employment and forest products for Ontario's economy.

The forest management plan is a document which provides background information on the nature of the local forests and on the factors affecting forest management within them. It also provides a working strategy whereby the forestry objectives of the Ministry of Natural Resources might best be realized within the district. The forest management plan should not be confused with the more specific operating plan and timber licencing plan whose preparation was announced in mid-March of this year.

Persons and organizations who wish to review and comment on this plan prior to its approval may do so up to and including June 29, 1984 by contacting the District Manager, Ministry of Natural Resources, Minden, Ontario K0M 2K0, telephone 286-1521.

Deputy Minister

Branch 519 elects officers

Branch 519 of the Royal Canadian Legion, Cobocok was well attended on May 14. The evening saw the selection and installation of officers for the coming year. Zone Commander Mel

Robertson was in charge of the elections and then installed the officers.

The new officers are: Past President Laurie Barkwell; President L. Taverner; First Vice President R. Faulkner; Second Vice President A. Hall; Third Vice President W. Hall; Secretary J.

Barkwell; Treasurer M. Michel; Sgt.-At-Arms to be appointed; Executive Members Bob Callan, H. Bradimore, F. Johnston, N. Harris, R. Tufts and A. Short.

The evening concluded with a lunch served by the ladies.

NOTICE

IN THE MATTER OF the Municipal Act; and IN THE MATTER OF a proposed By-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up, close and convey to the adjoining landowner part of the 66 foot 'unopened' Original Shoreline (Marine) Allowance for Road around the shoreline perimeter of Kashagawigamog Lake.

NOTICE IS HEREBY GIVEN pursuant to Section 301 (1) of the Municipal Act R.S.O. 1980, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden at its regular meeting to be held in the Municipal Council Chambers, Milne Street, Minden on Thursday, June 14th, 1984 proposes to consider and, if deemed advisable to pass a By-law to stop up, close and convey the above-noted portion of road allowance more particularly described as follows: -

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Township of Minden, in the County of Haliburton, and being composed of that part of the original 66 foot shore road allowance along the shore of Kashagawigamog Lake lying in front of part of Lot 24, Concession 3, in the said Township, and designated as Parts 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, and 12 according to a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-3036.

AND FURTHER TAKE NOTICE that before passing said by-law at the meeting to be held at the time and place mentioned, the Council shall then and there hear in person or by his Counsel, Solicitor or Agent any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at MINDEN this 23rd day of May, 1984.

(Mrs.) Elinor Burke, A.M.C.T.,
Clerk-Treasurer,
Townships of Anson, Hindon & Minden,
Box 98, Minden, Ontario K0M 2K0
Phone (705) 286-1260

The plan of survey referred to herein is available for perusal at the Municipal Offices during normal office hours.

CORPORATION OF THE TOWNSHIP of LUTTERWORTH

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT; and IN THE MATTER OF a proposed By-law of the Corporation of the Township of Lutterworth to stop up and close a portion of the 66-foot 'unopened' Original Shoreline (Marine) Allowance for Road along the shoreline perimeter of the Gull River, in front of Part of Lot 7, in Concession 13, in the Township of Lutterworth and to convey the aforesaid Shoreline Allowance portion to the abutting property owner.

NOTICE IS HEREBY GIVEN, pursuant to Section 301 (1) (a), of The Municipal Act R.S.O. 1980, that the Council of the Corporation of the Township of Lutterworth proposes to consider and, if deemed advisable, to pass at its Regular Meeting to be held at the Council Chambers, 3 miles south of Minden, on Highway No. 35, on Thursday, June 21st, 1984, at the hour of 7:00 o'clock p.m., a By-law to stop up and close the parcel of land more particularly described as follows: -

SCHEDULE "A"

ALL that part of the sixty-six foot Original unopened Shoreline Allowance for Road along the shoreline of the Gull River, in front of Part of Lot 7, in Concession 13, in the Township of Lutterworth, in the County of Haliburton, designated as Part 1 on a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton (19) as Plan 19R-2959.

AND, in addition, to convey Part 1 on Survey Plan 19R-2959 to the owner of the abutting Instrument Number 79348.

A copy of Survey Plan 19R-2959 is attached to the proposed By-law and may be viewed at the Lutterworth Municipal Office during normal working hours.

AND TAKE FURTHER NOTICE that, before passing of the said By-law at its meeting to be held at the time and place above-mentioned, the Council of the Corporation of the Township of Lutterworth, shall then and there hear in person, or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at the Township of Lutterworth this 16th day of MAY, 1984.

Mr. Wayne D. Hughes,
Clerk-Treasurer,

Well, another Victoria Day weekend is over and it was pleasant to see old friends returning for another summer. Lots of former residents home for the weekend too. Sorry to say the blackflies had a marvellous feast on all the poor gardeners who were working hard getting their gardens in. Oh well, we will survive (like the blackfly!).

Visiting with Milton and Jeanne Sears over the weekend were the Paul Warburtons of Acarborough and Muriel and Scott Ewing and Sandra Sears and Logan, all of Toronto.

The Thursday afternoon card parties at the Parish Hall finished the year with a Pot Luck supper May 15th. At six, after Grace was said by Father Elliott, everyone enjoyed the food set out in buffet style. A goodly sum was turned over to Church Funds. As everyone had brought their own dishes, the clean up was over by 7 o'clock. The money from the penny euchres and nickel skunks was spent on Wintario Tickets. As everyone had put his name in the bag - the ten were given out as names were drawn. They then went upstairs for eight games of euchre. Winners of Wintario tickets were lone hands May Eldridge, others were Jeanne Sears, Charles Beharrell, Irene Houghton and Jack Weekes. "See you all in September" was the word going around.

Thursday afternoon card parties in aid of the Museum will commence May 31 at 1:30 p.m. at the Cultural Centre. Everyone is welcome. They are hoping to play euchre and perhaps bridge. Come out and support your museum.

Speaking of card parties - the results from this week's Club 35 card party were: most lone hands - Olive Gallagher. High man - Art Verdaam. High lady - Aileen Olsen. The door prize was taken by Mabel Burness while other prizewinners were Fred Olsen, Agnes Cowling and Jack Weekes.

Mr. and Mrs. Angus Cameron of Norland stopped to visit their daughter and son-in-law Bess and Fred Cox, Sunday, on their way home from visiting other family members in New Liskeard.

The next Agricultural Society meeting will be held Wednesday, May 23 at 7:30 p.m. in the ante-room at the municipal building.

Glad to see our friend Yvonne Guida and her father Walter Noice have returned safely after a splendid trip to England,

Scotland and Wales. The following poem was written in appreciation of the trip by Yvonne on her return.

On returning from England, Scotland & Wales

I have travelled far and near
But I still have yet to hear
A sound that thrills me
Like the sound of bagpipes!
The homes of Robbie Burns
And Scott!
Shakespeare, Wordsworth and the lot
Still fill my brain,
Though home again - I am.
We, here in Minden
Have the saying
Will ye no come back again? - from the Scots
But travel to Scotland
Bonnie, bonnie Scotland
Its hills and crags
And oh, its magic,
Its lovely spell,
Loch Ness I shall remember well
Will stay with me always.
Ann Hathaway's cottage
Dorothy Wordsworth thrills
The blooming heather on the hills
The placid sheep -
I've never seen so many,
Their little lambs that frolic so -
They follow where their mothers go.
Back through time
We had a peek
At Mary, Queen of Scots
Her final sleep
The horror of her death!
And many clansmen
Whose fates were sealed
Because of all their drive and zeal
For a cause they felt was right.
Laid down their lives, an infamy
Black days, and yet
It still lives on.
Men cannot seem to understand
The glowing beauty of the land.
It does not fight
It lies in beauty
Like the night
Of Byron!
The rape, yellow, too brilliant to describe.
The placid countryside.
Balmoral, the delightful ride
The copse and Blenheim too -
I shall remember you.
And when I lay me down to sleep
The thought of ancestors I'll keep
Within me always!
And yes, I will come back again
To the haggis and the heather
And all the Heilan' weather
Back to the exquisite, historical past
That enchants me!

Yvonne Guida

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Some have hidden words or sayings, some do not. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun.

Q: Why did the shark bite off the mast of a sailboat?
A: He needed a toothpick.

Q: What sharks made good carpenters?
A: Hammerheads.

Q: How can you take six away from a King of Israel, and leave his father?
A: Take VI from David and leave Dad.

Q: What happened to Jessie James after a vampire bit him?
A: He became a sick shooter.

Q: Where was Count Dracula when the lights went out?
A: In the dark.

Q: When is Count Dracula like a beggar?
A: When he puts the bite on you.

Q: When is Count Dracula not a vampire?
A: When he turns into a street.

Q: What would you get if you crossed a snake and a funeral?

A: You'd get a hiss and a hearse.

Q: What would you get if you crossed a shark with a parrot?

A: An animal that can talk your ear off.

senior league

by Bert Harrison

Dear readers, it has been a busy week here at Hyland Crest. Sunday, being Mother's Day we had some special guests. Mary Oliver's son Raymond came, and I'm sure there were some others. Winnie Johnstone's son Bill, to visit his dear mother. Mrs. Stutt's daughter Ruth came, which was really good. Some had children who called on Milly Wood. But of all the families that came to call, Della Curry was the winner. Her son and grandson came, took her to their cottage at Haliburton and even cooked the dinner.

Now here is something we would like to say, Lola Prentice and Annie Cox, had great, great grand-daughters christened in the United Church on Mother's Day.

Our sympathy to family and friends go out today for Ivan Harrison who recently passed away.

Edith Welch has been brought back to Minden Hospital at last, still all bound up in a plaster cast. She'll be there for at least six weeks. Her sister Carrie walked down to see her, fell, cut her head and cheeks.

Now I was all alone on this special day, you see. Our daughter came on her way to

church. Then our son Roger came and had lunch with me.

In the chapel service Sunday night, we had no one with music to play. We had a nice service anyway. In Matthew, chapter 15, a Canaanite woman came to Jesus and said, "Please help my daughter, who is mixed with the devil". When Jesus saw the faith the woman had the daughter was made whole that very same hour. Rev. Burgess always makes his messages so interesting. In this sacred hour, he told how Jesus made the daughter whole, for he had the power.

Doris showed interesting movies Monday night to all that came by, "Three About 60 Degrees North", "Blue Birds of Happiness" and "Fly Geese Fly".

Tuesday morning Rev. Westhaver of Minden United Church conducted a very interesting service in the chapel, this May day. He told the story of John Wesley. Fred Ballard came with music to play.

Tuesday afternoon down in the auditorium, where we have a lot of fun playing the quiz game, the A team won.

Tuesday night it was the Watson Smith turn, with

music to play. Al came down with the flu and had to stay away. Fred Ballard came and took Al's place instead. We can always count on Fred.

Arnie Wright is on a week's holiday, we really miss Arnie when she is away. It was nice to see Linda

English, who dropped in for a few minutes today. She said she had to come to shop, and just couldn't stay away.

The ladies of the Haliburton Pentecostal Lighthouse, brought a tasty lunch this Thursday afternoon. Along with pastor

Ward Taylor, his wife Christine and darling baby boy, played and sang so lovely bringing us much joy.

The bingo callers here this night were Don and Evelyn Nye and Brian Hamilton. We thank you for coming. A job well done. Five bingos were won by Milly Wood, some of the others fared real

good. We have a Katimavik group here. Doris took us and them for a bus ride to Hawk Lake to see the log shoot. I had a nice young lady beside me, who was really cute. We hope they will like it here, they have a three month stay. We hope to see more of them before they go away.

Friday afternoon our faithfuls came, Grace Coburn and Norma Barron. Entertained us royally, their talents with us sharing. Now to all our readers we would like to say, have a real nice time on this long holiday.

Farmer to fisherman: "Didn't you see that sign marked Private - No Fishing?"

Fisherman: "Sorry, but I never read anything marked 'Private'."

May meet of Minden W.I.

The May 16 meeting of Minden W.I. at the Common Room of the Agnes Jamieson Gallery had twenty members and two guests present. Roll call was verses by the hostesses and these were about Springtime or when Mom and Dad had had the flu. Five members are to go on the District Bus Trip to Erland Lee on June 4 and goods for sale there are to be left with Mrs. A. Coulter or Mrs. R. Hughes and priced. We were pleased that Mrs. D. Cox accepted convenorship of Agriculture and Canadian Industries. The questionnaire from District was read and filled in to be sent to Mrs. A. Griffin. Plans were made for a Bake, Craft etc. Sale on August 3. Programmes will

be planned May 22 at Cultural Centre at one with Executive all to attend.

Mrs. C. Lacey gave a full report of District Annual mentioning Short Courses coming this year.

We are sending a card to Pleasant Valley on their 75th as we are unable to attend as it is in the evening.

Mrs. L. Cox gave a full report of Officer's Conference and this was an excellent one.

The movie, "Threading Through Time" was shown by Mrs. Lacey of interest to all us quilters.

Our next meeting is a pot luck luncheon at 12:30 with each one bringing their own table setting and come in costume.

The Programme then is of

reading, singing, and our history and it is at two with the whole community invited.

The meeting adjourned and a social half hour followed.

Jeanne Sears, P.R.O.

Classified advertising

Ads for the classified section of THE TIMES can be placed by phone (286-1288), by mail, (Box 97), or in person at our office on Bobcaygeon Road North, Minden.

Classified advertising deadline: Tuesdays at noon.

RATES:

- \$2 minimum charge for up to 25 words.
- 8¢ for each additional word.
- 50¢ off if the ad is paid by Tuesday (4 p.m.) of the week of publication.
- commercial classified, \$5 minimum.

NOTICE

The classified ad rates in THE TIMES will be increasing slightly as of June 1. After that date the classified ad rate will be 10¢ per word with a \$2.50 (25 word) minimum. The 50¢ discount for classified ads paid in advance will still apply. Other new rates include:

- Obituaries - \$10
- Legal notices - \$10 per insertion
- Commercial classifieds - \$5 minimum

AT REST

BARNES George William - at the Ross Memorial Hospital, Lindsay on Wednesday, May 18th, 1983 in his 76th year, beloved husband of Grace Barnes, dear father of Bill of Minden, Ken of Saskatchewan and Marilyn Twa of Omeme. A private funeral service was held from the Gordon A. Monk Funeral Home, Minden. Interment Minden Cemetery.

CARD OF THANKS

Thanks to Minden Kinsmen, K-40 and the many friends in the area for the flowers and cards sent during my stay in the hospital in Toronto.

Sonia Stevens
